State Senator Ken Kester, and many other candidates are being persecuted for their beliefs and votes for less government and lower taxes. 527 groups across this state are targeting this race, and we have to show them that we are strong in our convictions! Your donation is the only way to combat the negative attacks that are becoming more and more untruthful and sleazy. We can't let them win with distortion and lies. State Senator Ken Kester needs your help!

LET'S RALLY THE TROOPS!

***PLEASE RSVP TO JACE RATZLAFF AT 719-469-1254 NO LATER THAN
SEPTEMBER 20, 2006! Feel free to invite your friends and neighbors who care
about the future of Southern Colorado!***
